秩父神社 [Chichibu Shrine]

Chichibu Shrine has about 2000 years of history. The brilliantly colored historic shrine pavilion was reconstructed as ordered by Iyasu Tokugawa. One of the must-sees at Chichibu shrine is [Tsunagi-no-ryu] (a tied Dragon), which Hidari Jingoro (a famous sculptor and carpenter who left a splendid sculpture in Nikko Toshogu Shrine) created.

Kaitsugi-syo Street was crowded with people during the golden age of textile industry. Specialty stores and boutique take advantage of nostalgic atmosphere of the street.

Stylishly renovated flower shop. They sell sweets and small gifts.

A steam Locomotive runs on Chichibu railway. Please check its timetable on Chichibu railway website.
